## Specialists in Contract Soft Furnishings

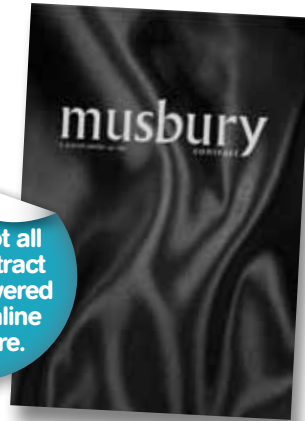

**We are manufacturers and suppliers of bed linen, curtains, towels, duvets, pillows, mattress protection and soft furnishings.**

We have a lifetime of experience in supplying the contract market and as such we can offer you the quality, wearability and the value you require to service your business needs, together with a vast range of designs to suit all establishments from contemporary to classic and traditional.

We also carry a full range of inherently flame retardant bed linen and curtains.

Please speak to our experienced sales team on **01706 244200** to discuss your requirements, to arrange a presentation, quotation or for sample requests.

We've got all your contract needs covered in our online brochure.
